Subject: Exide press inquiry

Good evening

Our press office has an inquiry on exide , described below.

I will share statement with you.

CBS Evening News (Mireya Villareal) [Received 7/18]—OPEN—Reporter is working on a story about the Exide cleanup and understands that there have been issues regarding lack of funding for lead-cleanup of properties. Wants to know what needs to happen for EPA to get involved. Working on statement. ENF/SFUND, Nahal Mogharabi.

Enrique Manzanilla
Director, Superfund Division
US EPA Region 9
